Fund balance \$40,829.18 as of July 29, 2020.

New Business: Application process working as grant request was received and distributed to members for review. Discussion of promotion and advertising of grant funds. Sheriff Delain states he will send press release to the media with source and link. No guarantee it will be advertised. Information to be shared with the local police departments and school districts. County Executive Streckenbach proposes press conference to highlight programs that have already received grants, such as the fingerprint scanner or Bay Port's Every 15 Minutes. Jeff Flynt will reach out to the City of Green Bay to coordinate. Mayor Genrich will reach out to neighborhood associations to highlight the ring door bell grant. Sheriff Delain would support the efforts and will email Doug Schneider at the Green Bay Press Gazette about a possible story.

Discussion regarding media event date and what programs to highlight. Current grant application on file is from the City of Green Bay Police Department for a new wrap on a surveillance vehicle, similar to the current "Armidillo" vehicle to assist in crime prevention. Mayor Genrich feels a kinder gentler approach highlighting crime prevention would be more appropriate at this time. County Executive Streckenbach will have an update by Friday with a proposed date for the press release.

Sheriff Delain received the check from the County Treasurer for Green Bay Area

Crime Stoppers grant award. The check could be award at the next meeting which is August 5, 2020 at 7:30 a.m. Members of the Funding Board are welcome to attend if the meeting is in-person or he will contact David Byrnes to pick up.

Discussion of next meeting to review pending grant applications. Annual award banquet is scheduled for September 24, 2020. Sheriff Delain will reach out to Tom Hinz at the Brown County Crime Prevention Foundation for vetting of the grants. The Statutory Board can also review and determine if they wish to approve any of the grant applications directly.
